Bill
Also I do think we have a separate meeting with Jacquie on pulling a review of "this" to committee not immediate but put in the calendar to address
(Jody's comments news to me)
I would like ministers to stop commenting on charges that have been laid. Irrelevant
Irrelevant
I kind of missed Jody's comments though I heard her mention us
I raised it to PMO and Alex
Jody said we are getting a paper update
To your office
I think we need bell and Watson on the record like Sunday or tmr on EA importance again
Bell better than Watson. Operations rather than politics
